## Writing Frame

Introduction/ Topic sentence: (who, when, where, what/why)

| ody: (in time sequence) | tor |
|-------------------------|-----|
| First,                  |     |
|                         |     |
|                         |     |
|                         |     |
| Next,                   |     |
|                         |     |
|                         |     |
| S.                      |     |
| After that,             |     |
|                         |     |
|                         |     |
